This Week's Focus

Reading— Baseball Saved Us- This story tells how baseball improved morale for Japanese-American families confined to a WWII relocation camp. If your child has a harder time with comprehension, a great strategy would be to re-read the story before the **Reading Quiz on Friday** this selection can be found on pages 218-237. The students have an S.R.G (Silent Reading Guide) with every story. This guide contains vocab words and comprehension questions related to the story.

Religion- We will be discussing Ch. 4- *Our Conscience, Our Guide*. In this chapter students will learn about conscience and the way it helps them make good choices and brings them closer to God and others. Students will be taking the **Ch. 4 test on Friday**.

Math-Ch. 4 –We will be continuing to discuss multiplication. Specifically we will be discussing factors, multiples and the associative property of multiplication. There will be a test on Tuesday, November 22nd which will cover Ch. 3.

Social Studies- We will be continuing our discussion on the Northeast region. We will be discussing the Narragansett, Ellis Island, Seneca Falls, New York and Pittsburgh, Pennsylvania.

Science – Wrapping up chapter 3 Adaptations with a test on Wednesday. Predator/prey stories due Tuesday. Ch. 4 Body systems - skeletal system, nervous system, muscular system, circulatory system, respiratory system and digestive system.

Language Arts-We will wrapping up our unit on nouns with a test on Wednesday, November 16th. This test will cover singular and plural nouns, common and proper nouns, possessive nouns, capitalization and abbreviations. A great way to review for this test would be to review worksheets and the lessons which can be found in your language arts textbook.
